

If you do not intend to compete in the following schooling show, please remember your services as a volunteer are always a valuable gift to your fellow members.

Moore County Driving Club Offers: Frostbite II

!

Date: Saturday, February 6, 2016

Rain date: Sunday, February 7, 2016

Format: HDT

Judges: Dressage – Tina Sully

Cones – Tommy Doonan

Place: Big Sky Farm, Tremont Road

Competition will begin with the Dressage Test, Cones will be driven immediately after the dressage test, and will be followed by the Marathon. Order-of-go will be announced by e-mail. Results will be e-mailed to all participants as soon as they are available, and will be submitted to “Sandtracks.” We request that you allow us to keep all dressage tests until scoring is complete. You are welcome to read them at the show, and they will be snail-mailed to you as soon as scoring is officially closed if not released that day, but by allowing us to retain possession it makes scoring a little less hectic. Thanks for your understanding.

Response may be made by e-mail or phone, with payment to be made the day of the show. If replying by email, please include all information requested on the entry below (don't forget that carriage width!). Paperwork can be printed and ready to go for checking in the day of the show, (thanks for making our lives easier), or may be returned by snail mail to our organizer:
